

Arvon Oak in a warm modern room

Arvon Oak, from the COREtec Plus XLE line, is a mid dark vinyl plank with a golden undertone (measured from its own picture: LRV 17). Here it is with Classic Gray walls, Swiss Coffee trim, and Upward on the cabinets, chosen by the numbers.

THE PALETTE

THE FLOOR	WALLS	TRIM	CABINETS	WOOD
Arvon Oak LRV 17	Classic Gray Benjamin Moore OC-23 LRV 73.7	Swiss Coffee Benjamin Moore OC-45 LRV 81.9	Upward Sherwin-Williams SW 6239 LRV 57.4	A charcoal wood Like our Ebony stain sample

WALLS, TRIM AND CABINETS

WALLS

Classic Gray

Benjamin Moore OC-23 • LRV 73.7 • +57 from the floor
A soft neutral with a touch of warmth (hue 97°), so Arvon Oak stays golden without turning yellow.

OR WALLS

Dover White

Sherwin-Williams SW 6385 • LRV 82.5 • +65 from the floor
A soft neutral with a touch of warmth (hue 93°), so Arvon Oak stays golden without turning yellow.

TRIM AND CEILINGS

Swiss Coffee

Benjamin Moore OC-45 • LRV 81.9 • +65 from the floor
65 points over Arvon Oak in LRV and warm enough (chroma 5.7) to read white, not blue, beside its golden undertone.

CABINETS

Upward

Sherwin-Williams SW 6239 • LRV 57.4 • +40 from the floor
A light color with some life in it, so cabinets float off Arvon Oak (a 40 point step in LRV).

Cabinets in Upward or Swiss Coffee: a dark floor needs light cabinets to float above it.

THE FLOOR, MEASURED

LRV	LIGHTNESS L*	UNDERTONE	HUE
17	48	Golden	69°

A golden undertone, warm without leaning red. LRV is light reflectance value: 0 is black, 100 is white. A wall within 30 points of the floor blurs into it (BS 8300).

Arvon Oak is lighter than 30 percent of the 1,204 vinyl floors we carry, measured the same way, and warmer than 88 percent of them.

WOOD, RUGS AND METALS

**A step darker: a charcoal wood**

About 19 points darker than Arvon Oak in L* (29 against 48), far enough to read as a choice. Like our Ebony stain sample.

**A step lighter: a light natural wood**

About 13 points lighter than Arvon Oak in L* (61 against 48). Like our Silvered Gray stain sample.

**Tone on tone: putty**

10 in chroma, half the warmth of Arvon Oak (23), and 28 points lighter in L*.

**Across the wheel: mist blue**

Hue 249°, straight across the color wheel from the 69° of Arvon Oak, softened to balance it.

**Grounding: espresso**

A deep note at L* 20, 28 points from the 48 of Arvon Oak, so a rug keeps its edge.

**Aged brass**

A warm metal that agrees with the golden undertone of Arvon Oak (hue 69°).

**Unlacquered brass**

Left unsealed, it darkens with handling to a softer warm tone beside Classic Gray walls.

**Matte black**

Black works with every undertone; beside Arvon Oak at LRV 17 it gives the room its outline.

ROOM BY ROOM

- **Living room** Classic Gray walls and Swiss Coffee trim around Arvon Oak, a putty rug with an espresso border, a coffee table in a charcoal wood, aged brass lamps.
- **Kitchen** Cabinets in Upward so they float off Arvon Oak, Swiss Coffee walls and trim, unlacquered brass pulls.
- **Bedroom** Dover White walls, bedding in putty with one mist blue pillow, nightstands in a light natural wood.
- **Entry** An espresso runner on Arvon Oak, Upward on the front door, a matte black mirror.

WHAT TO AVOID

- Walls at the lightness of Arvon Oak: Gauntlet Gray (Sherwin-Williams SW 7019, LRV 17.4) sits within a point of its LRV of 17, so wall and floor would blur into one.
- Wood that almost matches Arvon Oak: a tone like our Fruitwood sample, 4.3 apart (CIEDE2000), reads as a near miss. Go clearly darker or lighter.
- Walls that lean yellow: yellow on yellow flattens the golden undertone of Arvon Oak (hue 69°).

THE ROOM IT SUITS

At LRV 17, Arvon Oak is mid dark: it is at its best in a big room with good light and warm lamps, and it shows dust, pet hair and fine scratches more than a mid tone.

At 9 inches a board, Arvon Oak lays about 16 boards across a 12 foot room, so the room reads open with few seams.

Arvon Oak is waterproof, so it belongs in kitchens, baths, mudrooms and basements as well as living spaces.

Wear layer: 20 mil

Core: WPC, a wood plastic composite core

Finish: UV Acrylic
