

Banded Olive in a Japandi room

Banded Olive, from the Legacy Flooring Collection Coastal 7 in line, is a mid tone vinyl plank with a soft greige undertone (LRV 23, measured from its own picture). Here it is with Modern Gray walls, Greek Villa trim, and Black Fox as the deep note, chosen by the numbers.

WALLS, TRIM AND CABINETS

WALLS
Modern Gray
 Sherwin-Williams SW 7632 • LRV 62.5 • +40 from the floor
 A warm white or greige in the same soft family as Banded Olive (hue 82° against its 87°).

OR WALLS
Revere Pewter
 Benjamin Moore HC-172 • LRV 55.1 • +32 from the floor
 A warm white or greige in the same soft family as Banded Olive (hue 95° against its 87°).

TRIM AND CEILINGS
Greek Villa
 Sherwin-Williams SW 7551 • LRV 84.2 • +61 from the floor
 61 points over Banded Olive in LRV and warm enough (chroma 5.3) to read white, not blue, beside its greige undertone.

THE DEEP NOTE
Black Fox
 Sherwin-Williams SW 7020 • LRV 6.7 • -16 from the floor
 Deep and quiet, 16 points darker than Banded Olive in LRV, a frame for a greige floor.

Lower cabinets or an island in Black Fox, uppers and trim in Greek Villa. The floor at LRV 23 sits between the two (7 and 84).

THE FLOOR, MEASURED

LRV	LIGHTNESS L*	UNDERTONE	HUE
23	55	Greige	87°

A greige: soft gray with a little warmth. LRV is light reflectance value: 0 is black, 100 is white. A wall within 30 points of the floor blurs into it (BS 8300).

Banded Olive is lighter than 43 percent of the 1,198 vinyl floors we carry, measured the same way, and warmer than 28 percent of them.

WOOD, RUGS AND METALS

● **A step darker: a charcoal wood**
 About 20 points darker than Banded Olive in L* (35 against 55), far enough to read as a choice. Like our Heritage Brown stain sample.

● **A step lighter: a pale, bleached wood**
 About 17 points lighter than Banded Olive in L* (72 against 55). Like our Country White stain sample.

● **Tone on tone: fog gray**
 4 in chroma, half the warmth of Banded Olive (9), and 28 points lighter in L*.

● **Across the wheel: graphite**
 Hue 267°, straight across the color wheel from the 87° of Banded Olive, softened to balance it.

● **Grounding: charcoal**
 A deep note at L* 25, 30 points from the 55 of Banded Olive, so a rug keeps its edge.

● **Matte black**
 Black works with every undertone; beside Banded Olive at LRV 23 it gives the room its outline.

● **Champagne bronze**
 A warm metal that agrees with the greige undertone of Banded Olive (hue 87°).

● **Brushed nickel**
 A soft satin nickel, quieter than chrome, for the greige of Banded Olive.

ROOM BY ROOM

- **Living room** Modern Gray walls and Greek Villa trim, a low table in a pale, bleached wood on Banded Olive, a fog gray rug, one graphite cushion.
- **Kitchen** Greek Villa cabinets, Black Fox on the island or one wall, matte black pulls, Banded Olive underfoot.
- **Bedroom** Revere Pewter walls, a low bed in a charcoal wood, fog gray linen, champagne bronze in small doses.
- **Entry** A bench in a pale, bleached wood, a charcoal mat on Banded Olive, brushed nickel hooks.

WHAT TO AVOID

- Walls at the lightness of Banded Olive: Retreat (Sherwin-Williams SW 6207, LRV 20.9) sits 2 points from its LRV of 23, so wall and floor would blur into one.
- Stark blue whites everywhere: a greige floor like Banded Olive turns muddy beside them. Keep the whites a little warm.

THE ROOM IT SUITS

At LRV 23, Banded Olive is a mid tone: it holds its color in a sunny room and hides everyday dust and pet hair better than a very dark or very light floor.

At 7 inches a board, Banded Olive lays about 21 boards across a 12 foot room, so the room reads open with few seams.

Banded Olive is waterproof, so it belongs in kitchens, baths, mudrooms and basements as well as living spaces.

Core: SPC, a rigid stone polymer core

Water: Waterproof (the maker's word)
