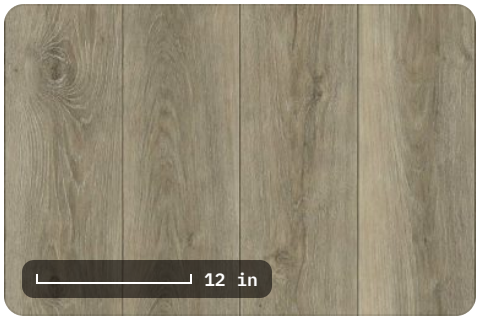
Distant Shore in a Japandi room

Distant Shore, from the Legacy Flooring Collection Coastal line, is a mid tone vinyl plank with a golden undertone (measured from its own picture: LRV 26). Here it is with Alabaster walls, Greek Villa trim and Lafayette Green as the deep note, chosen by the numbers.



THE PALETTE

THE FLOOR	WALLS	TRIM	DEEP NOTE	WOOD
Distant Shore LRV 26	**Alabaster** Sherwin-Williams SW 7008 LRV 82.2	**Greek Villa** Sherwin-Williams SW 7551 LRV 84.2	**Lafayette Green** Benjamin Moore HC-135 LRV 10.5	**A mid brown wood** Like our Chestnut stain sample

WALLS, TRIM AND CABINETS

WALLS
Alabaster
Sherwin-Williams SW 7008 · LRV 82.2 · +57 from the floor
A soft neutral with a touch of warmth (hue 98°), so Distant Shore stays golden without turning yellow.

OR WALLS
Pale Oak
Benjamin Moore OC-20 · LRV 68.6 · +43 from the floor
A soft neutral with a touch of warmth (hue 95°), so Distant Shore stays golden without turning yellow.

TRIM AND CEILINGS
Greek Villa
Sherwin-Williams SW 7551 · LRV 84.2 · +59 from the floor
59 points over Distant Shore in LRV and warm enough (chroma 5.3) to read white, not blue, beside its golden undertone.

THE DEEP NOTE
Lafayette Green
Benjamin Moore HC-135 · LRV 10.5 · -15 from the floor
Deep and quiet, 15 points darker than Distant Shore in LRV, a frame for a golden floor.

Lower cabinets or an island in Lafayette Green, uppers and trim in Greek Villa. The floor at LRV 26 sits between the two (11 and 84).

THE FLOOR, MEASURED

LRV	LIGHTNESS L*	UNDERTONE	HUE
26	58	Golden	92°

A golden undertone, warm without leaning red. LRV is light reflectance value: 0 is black, 100 is white. A wall within 30 points of the floor blurs into it (BS 8300).

Distant Shore is lighter than 49 percent of the 1,197 vinyl floors we carry, measured the same way, and warmer than 49 percent of them.

WOOD, RUGS AND METALS

A step darker: a mid brown wood
About 19 points darker than Distant Shore in L* (38 against 58), far enough to read as a choice. Like our Chestnut stain sample.

A step lighter: a pale, bleached wood
About 14 points lighter than Distant Shore in L* (72 against 58). Like our Country White stain sample.

Tone on tone: linen
6 in chroma, half the warmth of Distant Shore (13), and 28 points lighter in L*.

Across the wheel: graphite
Hue 272°, straight across the color wheel from the 92° of Distant Shore, softened to balance it.

Grounding: charcoal
A deep note at L* 28, 30 points from the 58 of Distant Shore, so a rug keeps its edge.

Matte black
Black works with every undertone; beside Distant Shore at LRV 26 it gives the room its outline.

Aged brass
A warm metal that agrees with the golden undertone of Distant Shore (hue 92°).

Unlacquered brass
Left unsealed, it darkens with handling to a softer warm tone beside Alabaster walls.

ROOM BY ROOM

- **Living room** Alabaster walls and Greek Villa trim, a low table in a pale, bleached wood on Distant Shore, a linen rug, one graphite cushion.
- **Kitchen** Greek Villa cabinets, Lafayette Green on the island or one wall, matte black pulls, Distant Shore underfoot.
- **Bedroom** Pale Oak walls, a low bed in a mid brown wood, linen linen, aged brass in small doses.
- **Entry** A bench in a pale, bleached wood, a charcoal mat on Distant Shore, unlacquered brass hooks.

WHAT TO AVOID

- Walls at the lightness of Distant Shore: Evergreen Fog (Sherwin-Williams SW 9130, LRV 30.4) sits 5 points from its LRV of 26, so wall and floor would blur into one.
- Walls that lean yellow: yellow on yellow flattens the golden undertone of Distant Shore (hue 92°).

THE ROOM IT SUITS

At LRV 26, Distant Shore is a mid tone: it holds its color in a sunny room and hides everyday dust and pet hair better than a very dark or very light floor.

At 9.06 inches a board, Distant Shore lays about 16 boards across a 12 foot room, so the room reads open with few seams.

Distant Shore is waterproof, so it belongs in kitchens, baths, mudrooms and basements as well as living spaces.

Core: SPC, a rigid stone polymer core

Water: Waterproof (the maker's word)
