Fox Hollow in a warm modern room

Fox Hollow, from the Legacy Flooring Collection AquaProof line, is a mid tone laminate with a golden undertone (measured from its own picture: LRV 24). Here, it pairs with Alabaster walls, Greek Villa trim, and Cascades as the deep note, chosen by the numbers.

THE PALETTE

THE FLOOR	WALLS	TRIM	DEEP NOTE	WOOD
Fox Hollow LRV 24	**Alabaster** Sherwin-Williams SW 7008 LRV 82.2	**Greek Villa** Sherwin-Williams SW 7551 LRV 84.2	**Cascades** Sherwin-Williams SW 7623 LRV 4.2	**A charcoal wood** Like our Heritage Brown stain sample

WALLS, TRIM AND CABINETS

WALLS
Alabaster
Sherwin-Williams SW 7008 · LRV 82.2 · +58 from the floor
A soft neutral with a touch of warmth (hue 98°), so Fox Hollow stays golden without turning yellow.

OR WALLS
Revere Pewter
Benjamin Moore HC-172 · LRV 55.1 · +31 from the floor
A soft neutral with a touch of warmth (hue 95°), so Fox Hollow stays golden without turning yellow.

TRIM AND CEILINGS
Greek Villa
Sherwin-Williams SW 7551 · LRV 84.2 · +60 from the floor
60 points over Fox Hollow in LRV and warm enough (chroma 5.3) to read white, not blue, beside its golden undertone.

THE DEEP NOTE
Cascades
Sherwin-Williams SW 7623 · LRV 4.2 · -20 from the floor
Deep and cool, about 130° around the color wheel from Fox Hollow and 20 points darker in LRV, so each makes the other look richer.

Lower cabinets or an island in Cascades, uppers and trim in Greek Villa. The floor at LRV 24 sits between the two (4 and 84).

THE FLOOR, MEASURED

LRV	LIGHTNESS L*	UNDERTONE	HUE
24	57	Golden	67°

A golden undertone, warm without leaning red. LRV is light reflectance value: 0 is black, 100 is white. A wall within 30 points of the floor blurs into it (BS 8300).

Fox Hollow is lighter than 33 percent of the 45 laminate floors we carry, measured the same way, and warmer than 53 percent of them.

WOOD, RUGS AND METALS

A step darker: a charcoal wood
About 22 points darker than Fox Hollow in L* (35 against 57), far enough to read as a choice. Like our Heritage Brown stain sample.

A step lighter: a pale, bleached wood
About 15 points lighter than Fox Hollow in L* (72 against 57). Like our Country White stain sample.

Tone on tone: linen
9 in chroma, half the warmth of Fox Hollow (20), and 28 points lighter in L*.

Across the wheel: graphite
Hue 247°, straight across the color wheel from the 67° of Fox Hollow, softened to balance it.

Grounding: walnut brown
A deep note at L* 27, 30 points from the 57 of Fox Hollow, so a rug keeps its edge.

Aged brass
A warm metal that agrees with the golden undertone of Fox Hollow (hue 67°).

Unlacquered brass
Left unsealed, it darkens with handling to a softer warm tone beside Alabaster walls.

Matte black
Black works with every undertone; beside Fox Hollow at LRV 24 it gives the room its outline.

ROOM BY ROOM

- **Living room** Alabaster walls and Greek Villa trim around Fox Hollow, a linen rug with a walnut brown border, a coffee table in a charcoal wood, aged brass lamps.
- **Kitchen** Cascades on the island or the lower cabinets, Greek Villa uppers, unlacquered brass pulls, Fox Hollow underfoot.
- **Bedroom** Revere Pewter walls, bedding in linen with one graphite pillow, nightstands in a pale, bleached wood.
- **Entry** A walnut brown runner on Fox Hollow, Cascades on the front door, a matte black mirror.

WHAT TO AVOID

- Walls at the lightness of Fox Hollow: Retreat (Sherwin-Williams SW 6207, LRV 20.9) sits 4 points from its LRV of 24, so wall and floor would blur into one.
- Wood that almost matches Fox Hollow: a tone like our Weathered Oak sample, 1.8 apart (CIEDE2000), reads as a near miss. Go clearly darker or lighter.
- Walls that lean yellow: yellow on yellow flattens the golden undertone of Fox Hollow (hue 67°).

THE ROOM IT SUITS

At LRV 24, Fox Hollow is a mid tone: it holds its color in a sunny room and hides everyday dust and pet hair better than a very dark or very light floor.

At 7.7 inches a board, Fox Hollow lays about 19 boards across a 12 foot room, so the room reads open with few seams.

Fox Hollow is waterproof, so it belongs in kitchens, baths, mudrooms and basements as well as living spaces.

Water: Waterproof (the maker's word)
