

Grande Ellidy Oak in a modern farmhouse room

Grande Ellidy Oak from the COREtec Originals Premium line is a mid tone vinyl plank with a warm greige undertone (measured from its own picture: LRV 23). It pairs with Greek Villa walls, Alabaster trim, and Wrought Iron as the deep note, chosen by the numbers.

THE PALETTE

THE FLOOR	WALLS	TRIM	DEEP NOTE	WOOD
Grande Ellidy Oak LRV 23	Greek Villa Sherwin-Williams SW 7551 LRV 84.2	Alabaster Sherwin-Williams SW 7008 LRV 82.2	Wrought Iron Benjamin Moore 2124-10 LRV 8.2	A charcoal wood Like our Heritage Brown stain sample

WALLS, TRIM AND CABINETS

WALLS

Greek Villa

Sherwin-Williams SW 7551 • LRV 84.2 • +61 from the floor

A warm white or greige in the same soft family as Grande Ellidy Oak (hue 94° against its 66°).

OR WALLS

Simply White

Benjamin Moore OC-117 • LRV 89.5 • +66 from the floor

A warm white or greige in the same soft family as Grande Ellidy Oak (hue 110° against its 66°).

TRIM AND CEILINGS

Alabaster

Sherwin-Williams SW 7008 • LRV 82.2 • +59 from the floor

59 points over Grande Ellidy Oak in LRV and warm enough (chroma 5.3) to read white, not blue, beside its greige undertone.

THE DEEP NOTE

Wrought Iron

Benjamin Moore 2124-10 • LRV 8.2 • -15 from the floor

Deep and quiet, 15 points darker than Grande Ellidy Oak in LRV, a frame for a greige floor.

Lower cabinets or an island in Wrought Iron, uppers and trim in Alabaster. The floor at LRV 23 sits between the two (8 and 82).

THE FLOOR, MEASURED

LRV	LIGHTNESS L*	UNDERTONE	HUE
23	56	Greige	66°

A warm greige: gray with a little brown in it. LRV is light reflectance value: 0 is black, 100 is white. A wall within 30 points of the floor blurs into it (BS 8300).

Grande Ellidy Oak is lighter than 44 percent of the 1,198 vinyl floors we carry, measured the same way, and warmer than 34 percent of them.

WOOD, RUGS AND METALS

**A step darker: a charcoal wood**

About 21 points darker than Grande Ellidy Oak in L* (35 against 56), far enough to read as a choice. Like our Heritage Brown stain sample.

**A step lighter: a pale, bleached wood**

About 16 points lighter than Grande Ellidy Oak in L* (72 against 56). Like our Country White stain sample.

**Tone on tone: fog gray**

5 in chroma, half the warmth of Grande Ellidy Oak (11), and 28 points lighter in L*.

**Across the wheel: graphite**

Hue 246°, straight across the color wheel from the 66° of Grande Ellidy Oak, softened to balance it.

**Grounding: charcoal**

A deep note at L* 26, 30 points from the 56 of Grande Ellidy Oak, so a rug keeps its edge.

**Matte black**

Black works with every undertone; beside Grande Ellidy Oak at LRV 23 it gives the room its outline.

**Champagne bronze**

A warm metal that agrees with the greige undertone of Grande Ellidy Oak (hue 66°).

**Brushed nickel**

A soft satin nickel, quieter than chrome, for the greige of Grande Ellidy Oak.

ROOM BY ROOM

- **Living room** Greek Villa walls and Alabaster trim, a fog gray rug with a charcoal edge on Grande Ellidy Oak, a coffee table in a charcoal wood.
- **Kitchen** Wrought Iron on the island, Alabaster cabinets above, matte black pulls, Grande Ellidy Oak underfoot.
- **Dining room** A table in a charcoal wood on Grande Ellidy Oak, chairs in a pale, bleached wood, champagne bronze pendants.
- **Bedroom** Simply White walls, fog gray linen, a graphite quilt, brushed nickel on the lamps.

WHAT TO AVOID

- Walls at the lightness of Grande Ellidy Oak: Retreat (Sherwin-Williams SW 6207, LRV 20.9) sits 3 points from its LRV of 23, so wall and floor would blur into one.
- Wood that almost matches Grande Ellidy Oak: a tone like our Rustic Beige sample, 4.3 apart (CIEDE2000), reads as a near miss. Go clearly darker or lighter.
- Stark blue whites everywhere: a greige floor like Grande Ellidy Oak turns muddy beside them. Keep the whites a little warm.

THE ROOM IT SUITS

At LRV 23, Grande Ellidy Oak is a mid tone: it holds its color in a sunny room and hides everyday dust and pet hair better than a very dark or very light floor.

At 9 inches a board, Grande Ellidy Oak lays about 16 boards across a 12 foot room, so the room reads open with few seams.

Grande Ellidy Oak is waterproof, so it belongs in kitchens, baths, mudrooms and basements as well as living spaces.

Wear layer: 30 mil**Core:** WPC, a wood plastic composite core**Finish:** UV Acrylic
